

Names: _____

Class: _____

Goods and Services

Good

Goods are things that you can buy and take along with you either to consume or to use. For example I can buy a T-shirt and take home. Hence, it is a good.

Service

A service is something you hire somebody to do for you for a fee. For example, I can hire a mechanic to repair my car. I can also hire someone to clean my house. All of these are services.

Read the situations below and tell if it is a **good** or a **service** that is being paid for.

1. You buy a sofa from a furniture shop. _____
